## *Toi Uru Kahikatea Investment Programme 2021 contract extensions*

### *Closing date: 7 Aug 2020*

Two New Zealand arts organisations have had their contracts extended. They were two of three clients in the Kahikatea programme who were due to re-apply to the programme (via an RFP). Due to the COVID-19 environment, we instead extended their contracts for another year. The third client opted not to renew its contract.
