

## **Low carbon & sustainability resources**

### **Arts and Culture specific (note these are UK-based)**

- <https://www.juliesbicycle.com/>
  - <https://www.juliesbicycle.com/resource-policy-action-plan-guide>
  - <https://www.juliesbicycle.com/Pages/Category/resource-hub?Take=24>
- <https://www.creativecarbonscotland.com/>
  - <https://www.creativecarbonscotland.com/resources/>
  - <https://www.creativecarbonscotland.com/green-arts-conference/>

Dedicated arts and culture sustainability agencies based in London and Scotland respectively. Their websites are filled with artform specific resources, case studies, webinars and tools - including guides to creating environmental policies and action plans.

### **Plain language carbon footprint tools and advice**

- <https://www.futurefit.nz/>
- <https://livelightly.nz/>

Targeted at households, but the fundamentals are universal

### **Energy**

- <https://www.eeca.govt.nz/>

Go-to website for energy efficiency help and advice at home and in the office, including 'rightware' a comparison of the annual running costs of 100s of appliances

### **Waste**

- <https://zerowasteevents.org.nz/> (excellent guide to running waste free events)
- <https://www.wasteminz.org.nz>

### **Local & community resources**

- <https://sustaintrust.org.nz/> (Wellington)
- <https://www.ecomatters.org.nz/> (Auckland)
- <https://ccc.govt.nz/environment/sustainability/> (Christchurch)
- <https://www.litefoot.nz/> (national)

Council or NPOs providing a host of regional initiatives and programmes, resources and events, including composting courses, insulation grants, waste audits, and many other free services

### **Te reo resources**

- <http://parakore.maori.nz/>

The Para Kore programme is designed to support marae, kōhanga reo, kura and community organisations to reduce waste. Excellent te reo resources)

### **Funding opportunities**

- [https://livelightly.nz/media/1452/get-funded\\_formatted.pdf](https://livelightly.nz/media/1452/get-funded_formatted.pdf) (mostly Auckland, but also includes national funding opportunities)

### **Certified Offsetting**
